

Dear Volunteer Applicant:

Thank you for your interest in volunteering with the Saint Francis Health System. Saint Francis Health System is very proud to be able to provide this place of exceptional healthcare. Our volunteers will be an important part of our hospitals, and key to its success.

Once your application has been received, you will be contacted by the volunteer office to schedule an interview appointment. We ask our volunteers to commit to a 4 hour shift once a week and complete at least 12 months of service. Volunteers accepted into our program must complete a general orientation, as well as TB skin testing and a background check which is paid by the hospital. There is a yearly Auxiliary membership fee of \$10.00 and volunteers purchase their uniform top at the Volunteer Office.

Saint Francis Volunteers enjoy reserved parking, as well as a complimentary meal each day they volunteer. Other "benefits" include discounted membership to the *Health Zone*, free flu shots, and invitations to several social activities throughout the year. However, the biggest benefit is knowing you have made a difference in someone's life each day you serve at the hospital.

Please check to make sure you submit all necessary paperwork:

Again, thank you for your interest in volunteering for Saint Francis Health System. We look forward to hearing from you. Volunteering with us will be one of the most rewarding experiences you can imagine.

Warm Regards,

~Rebecca Darrow

Rebecca Darrow
Director, Volunteer Services
